

# EKKIDEN'S RECRUITMENT PROCESS

## READY, SET, GO !

You apply to one of our offer.

## DISCOVER EACH OTHER

We call you briefly to check your availability, and to introduce you to Ekkiden's values, missions, projects, working conditions...

## LOVE AT FIRST SIGHT

Your profile has been approved and we give you the green light to start a journey together ! We will soon find you a project to work on.

## INTERVIEWS

It's the time to check if your profile corresponds to the project offer, to get to know you better and to learn more about your motivations. The idea of these interviews (there can be several) is to determine the fit between you and the job. If everything is fine, we show your profile to the client.

## MEETING WITH THE CLIENT

You meet the client and discuss the mission in more details. At this step, we see if the harmony is good between everybody involved.

## IT'S A MATCH !

The client approves your profile, and he gives you the green light to start the mission. You are officially part of the team !

## WELCOME TO EKKIDEN

You become one of our super consultants. Start your mission and enjoy all the advantages of being part of a group as human and innovative as Ekkiden !

## JOIN THE SQUADS

You want to get more involved ? It's a good thing, and we can offer you to learn and grow in new sectors, and to develop your professional career in contact with other consultants through a squad.

## WRONG TIME, WRONG PLACE...

Unfortunately, a refusal can happen at any step of our process. However, we want you to learn from this experience. That's why we give you strong and complete feedback. You also can ask us your questions about this process experience to understand better our choice and improve yourself afterwards.

## LET'S KEEP IN TOUCH !

This is just a goodbye. In the future, we may have a job offer that suits you better, so we suggest that you stay in touch with us and keep following us.
